Baby Farm Animals (Little Golden Book) Garth Williams

No one has illustrated animals with as much warmth, humor, and realism as Garth Williams. This classic—full of piglets, kittens, calves, and bunnies—is one of his best. Simple, humorous text identifies each fuzzy, furry, or feathery farm animal capering about the farm. This longtime favorite has been reissued for a new generation of kids, who will “pet” the animals on each page over and over again!
