## **Historias del imperio inca (Spanish Edition)** María del Carmen Martin Rubio

Los Incas han desarrollado una de las civilizaciones más importantes en nuestro Planeta, dado que el Imperio del Tahuantinsuyo se extendió por casi todo el extenso territorio de América del Sur y ejerció un papel similar al de Roma en el Mediterráneo al recopilar y transmitir las antiguas culturas autóctonas bajo su sello unificador; sin embargo es una cultura hasta ahora muy poco conocida en Europa y en la misma América. En Historias del Imperio Inca se abordan diversos aspectos de la sociedad andina que evidencian las formas de vida que impuso aquel Estado, junto con las creencias religiosas y las tradiciones heredadas de tiempos ancestrales. Las ofrendas, el papel de las princesas, el de las mujeres, las vidas de los Incas Tupac Amaru y Paullo, o la fundación de Machu Picchu son muestras de tan fascinante civilización.
