Carlos Gomes, Um Tema Em Questão (Portuguese Edition) Lutero Rodrigues

Este livro tem por "abordar o processo de configuração da hegemonia dos Estados Unidos no âmbito internacional e na América Latina em particular, estabelecendo um contraponto com as possibilidades de construção de alternativas originárias de setores subalternos na estrutura social ou de países periféricos no sistema internacional". "A preocupação é buscar respostas ao desafio colocado por essa visão determinista da realidade, confrontando diversas perspectivas sobre a viabilidade estratégica da unipolaridade nas relações internacionais e do capitalismo nas relações sociais. Nossa conclusão é cautelosa no que se refere à grande questão que aviva os movimentos críticos do sistema: a continuidade dos fundamentos essenciais da atual estrutura de poder apresenta-se como cenário provável. Não por um destino manifesto que se impõe a nenhum desejo de transformação, mas pela cristalização de um consenso sobre os alcances e limites da mudança possível, que se denomina social-democratização do ordenamento mundial, para o qual confluem os atores principais da cena política e econômica governamental e não-governamental, incluindo boa parte dos descontentes com a chamada globalização neoliberal".
