Jumped (Aspen Valley series Book 2) Colette Auclair

A young woman in the equestrian fashion business finds herself head over heels for none other than her ex-husband in Colette Auclair's steamy sequel to her 2012 Golden Heart finalist and "page-turning debut" (*Library Journal*), *Thrown*.

Thoroughly enjoying herself at a friend Amanda's wedding, Beth finds herself in an unexpected state of shock when she realizes she's been seated next to her ex-husband, Finn, at the reception. Determined to not let this fluster her, Beth strikes up a conversation only to learn Finn isn't the same man she walked away from.

Relieved the reception is over, Beth is looking forward to a relaxing weekend against the beautiful backdrop of sunny Aspen at her best friend Amanda's estate. Little does she know Finn will be partaking in the weekend activities too. But just as Beth decides to keep as much distance between her and Finn as possible, Finn has a terrible accident and Beth is stuck being his bedside nurse.

Over the course of the weekend, Beth and Finn discover that the wounds of their failed marriage are not all that's left. There are sparks...and hope. But just as they decide to give their relationship another try, Finn confesses a huge secret that could destroy everything he's fought to get back—Beth, their relationship, and another chance at love.

Will Beth turn away, or will she take a leap of faith and say "I do" once (again) and for all?
