A sexy category romance novella from Entangled's Brazen imprint...

He'll unlock her wildest fantasies...

Private investigator Curtis Jagger has always had a thing for Alix Harris. She was the darling of their high school—gorgeous, popular, class president...and, he suspects, just as naughty as she is nice. Now Jag has the opportunity to show her what she's missing. To show her that sometimes being bad can be sexy as hell...

Alix has always done what she's supposed to, and it's gotten her exactly nowhere. Determined to please herself—in every way possible—she accepts Jag's mysterious invitation to his ranch. In front of Jag's camera lens, Alix finds freedom far beyond her expectations. A freedom where she takes the reins and rides out every wicked desire.

But in one week, Alix will have to return to her real world where politics reign. A world that can't include Jagger, or she'll lose everything.
