The Wheat Princess

Jean Webster

The Wheat Princess Jean Webster

IF you leave the city by the Porta Maggiore and take the Via Prænestina, which leads east into the Sabine hills, at some thirty-six kilometers' distance from Rome you will pass on your left a grey-walled village climbing up the hillside. This is Palestrina, the old Roman Præneste; and a short distance beyond—also on the left—you will find branching off from the straight Roman highway a steep mountain road, which, if you stick to it long enough, will take you, after many windings, to Castel Madama and Tivoli.
