## **Dinosoaring** Deb Lund

These daring dinosaurs have conquered land and sea—now they’re ready for the sky! But to get airborne, they need a plan. They dinoblow. They run, push, leap, flap—and take flight! The sky becomes their stage, as they join an air show. Zipping and zooming and dancing on wings, the dinos are soon upside down and dinosick! They decide to bail, hoping their dinochutes will work. They dino-do!

In this exuberant follow up to Dinosailors and All Aboard the Dinotrain, the rollicking rhymes and paintings of reckless reptiles are dinofabulous.
