## **Murder Observed (The Clara Gamadge Mysteries Book 2)** Eleanor Boylan

Barry Lockwood is a lucky guy, or so it seems. He's found himself in a fresh relationship with Elizabeth Bauer, a lovely and charming journalism student, young enough to be his granddaughter and she's craving commitment. It seems so right but Anna Pittman smells something fishy. Twenty years after divorcing Barry, she still has a knack for ruining his good times. She suspects that this young lass is barking up the wrong tree. Then there is Dollfuss Moltke, Beth's shadowy, omnipresent companion, complete with a beautiful face and a secretive soul. Anna's old school chum Clara Gamadge thinks Anna is simply making a tempest in a teacup. But when Anna shows up dead, Clara's investigative prowess rushes to life. Everyone seems to think Anna's death an accident, but Clara wasn't born yesterday. What started as jealous suspicion unravels a perplexing path of matrimonial mischief, cloaked clues, and a ghastly seductive gold digger. Can Clara follow up the trail before nuptial vows produce another victim?
