## **The Suicide of Claire Bishop: A Novel** Carmiel Banasky

Greenwich Village, 1959. Claire Bishop sits for a portrait—a gift from her husband—only to discover that what the artist has actually depicted is Claire's suicide. Haunted by the painting, Claire is forced to redefine herself within a failing marriage and a family history of madness. Shifting ahead to 2004, we meet West, a young man with schizophrenia obsessed with a painting he encounters in a gallery: a mysterious image of a woman's suicide. Convinced it was painted by his ex-girlfriend, West constructs an elaborate delusion involving time-travel, Hasidism, art-theft, and the terrifying power of representation. When the two characters finally meet, in the present, delusions are shattered and lives are forever changed.

*The Suicide of Claire Bishop* is a dazzling debut, evocative of Michael Cunningham's *The Hours* (and Virginia Woolf's classic *Mrs. Dalloway*), as well as Donna Tartt's bestseller *The Goldfinch*. With high stakes that reach across American history, Carmiel Banasky effortlessly juggles balls of madness, art theft, and Time itself, holding the reader in a thrall of language and personal consequences. Daring, sexy, emotional, *The Suicide of Claire Bishop* heralds Banasky as an important new talent.
