Death Cog - Core Book Grog

Welcome to Death Cog, a versatile, customizable, and gigantic pen-and-paper tabletop RPG designed by a life-long student of the gaming arts. Bigger than Shadowrun and more flexible than D&D, Death Cog boasts everything from dragons to nuclear bombs. Craft your character's race, class, and abilities, then outfit them with anything from a sharpened toothpick to gigantic riding armor. Visit distant worlds, battle strange creatures, and explore dark dungeons full of sparkly treasure. This book covers everything needed by game masters and players alike, from character creation to dispute resolution. New players are introduced through a comprehensive explanation of the game mechanics, while those more experienced can jump right in to explore its innumerable options. If the standard suite of critters and quests aren't enough, the game allows for unending customizations. Want to fight battles as a high-seas pirate? No problem. Does steam-punk do it for you? You can do that too. Grab some snacks, call your friends, and get ready for a treat. It's like no tabletop game you've played before.
