From the bombed-out ruins of Munich, Germany, in the last days of World War II to a lavish present-day castle in Switzerland, this sequel to *The Guardian* (published in Fall 2013), weaves a vivid, heart-stopping tale of resilience, resolve, and revenge as Danni McAllister and her family discover the real reason they have been targeted by international terrorists. The astonishing secrets and unexpected powers of the pouch, dating back nearly two hundred years, take center stage in a plot filled with surprising twists and turns as Danni finds herself locked in an extraordinary battle of courage and fortitude that will determine the fate of her family and her role as the Keeper of the Pouch—or risk losing both forever.

From master storyteller Gerald N. Lund, this action-packed novel for the entire family originated as a series of bedtime stories told to his children when they were growing up. In the spirit of *The Alliance*, *Freedom Factor*, and *Leverage Point*, the author blends gripping, fast-paced adventure and suspense with a timeless message for readers of all ages.
