Lucky in the Corner: A Novel Carol Anshaw

Nora and Fern are just like any other mother and daughter - their relationship is tumultuous, marked by brooding silences and curt exchanges. For Nora, Fern is an enigma - incomprehensible, unfindable. Fern has never really forgiven her mother for leaving her marriage to live with her lover, Jeanne. Their story is a contemporary one, in which mothering is a mapless journey and children are left to form themselves in the shadows cast by idiosyncratic parenting. Here, too, is the reality that perfectly reasonable people will find some way to throw a wrench into the smooth, well-oiled workings of their lives. Nora's relationship with Jeanne has settled into domestic stability, triggering in Nora a familiar restlessness that leads to an affair. When Fern intuits her mother's indiscretion, she looks to the two people she depends on most: her uncle Harold and her best friend, Tracy, who now has the overwhelming task of raising a baby. As Fern begins to take on more of the baby's care herself, she discovers some of the powerful ambiguities of parental love - and starts to find her way back to her own mother.

Carol Anshaw has been praised for her "warmhearted sympathies and lively wit" (Newsday). LUCKY IN THE CORNER, with the author's inimitable humor and insight, shows us the way a family reconfigures itself as unexpected changes come its way - and how, no matter what shape it takes, it remains a family.

From reader reviews:

Joan Stauffer:

Book is to be different for every grade. Book for children until finally adult are different content. As you may know that book is very important usually. The book *Lucky in the Corner: A Novel* had been making you to know about other know-how and of course you can take more information. It is quite advantages for you. The publication *Lucky in the Corner: A Novel* is not only giving you a lot more new information but also to become your friend when you truly feel bored. You can spend your own spend time to read your reserve. Try to make relationship while using book *Lucky in the Corner: A Novel*. You never experience lose out for everything in the event you read some books.

Shawn McDonald:

Do you one of people who can't read gratifying if the sentence chained inside straightway, hold on guys this kind of aren't like that. This *Lucky in the Corner: A Novel* book is readable by you who hate those perfect word style. You will find the details here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to give to you. The writer connected with *Lucky in the Corner: A Novel* content conveys thinking easily to understand by a lot of people. The printed and e-book are not different in the written content but it just different available as it. So , do you nevertheless thinking *Lucky in the Corner: A Novel* is not loveable to be your top list reading book?

Lisa Lee:

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want experience happy read one with theme for entertaining for instance comic or novel. The actual *Lucky in the Corner: A Novel* is kind of e-book which is giving the reader erratic experience.

Carmen Helton:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this *Lucky in the Corner: A Novel* can make you experience more interested to read.
