## **Fishing Stories: A Lifetime of Adventures and Misadventures on Rivers, Lakes, and Seas** Nick Lyons

All fishermen who have fished for a lifetime have baskets of great stories and reminiscences about the sport they love. Nick Lyons's new collection is chock-full of them. From fishing a small Catskill creek and catching a huge brook trout when he was barely out of infancy to long opening day treks during his teens, and then on to fishing in France, Iceland, Key West, Montana, and widely elsewhere, Nick has spent a lifetime on the water.

*Fishing Stories* features tales about bass, bluefish, tarpon, stripers, bluegill, and many other species as well as portraits of many of the unusual people with whom he has fished. Lyons describes a long, hilarious day with a character named Hawkes in one story, and then the next features a father and son on a Western lake.

Through these memories, Lyons shows the comfortable pleasure of fishing waters close to home that one knows just about as well as his or her closest friends. Stories describe days of discovery and adventure on new waters; fishing with famous fishing writers, and new friends, and a granddaughter; and fishing in a little pond he built during the years he refers to as his Indian summer. An unforgettable fight with a gigantic fish in a Western river and simpler days fishing for bluegill and pickerel are also documented.

No fisherman of any stripe will fail to find stories that echo his or her own experiences, and all will come closer to understanding the passion that drives all serious fishermen.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
