## Viking Myths - Stories of the Norse Gods and Goddesses

From its first beginnings in a world of primordial ice floes, the story of the Viking gods is one of continual struggle against etins and monsters, but it is a tale of humour and triumph as well as of grit and tragedy. The Norse myths are justly famous for a host of vivid characters including the wise and enigmatic Odin, the bluff strongman Thor, and the incorrigible trickster Loki. In the first major retelling for a generation, storyteller and historian Thor Ewing rediscovers the brisk vitality with which these ancient myths were told in the earliest sources. With 45 stunning b&w illustrations inspired by Viking art.
